

## Rhythmic Walk

A simple rhythmic character walk I did in my spare time whilst on my gap year in Norway. A free cookie to anyone who can guess what music I animated to...

This character originally came from the "Mikey Rig " by Scott Englert . However, to test my newly-made rigging scripts I stripped out the rig that came with it and created a new one. Nothing wrong with the old one you understand (honest!), but it was a great test for my brand new rig builder...
